Dear Mr. Weisberg:

I heard over the radio that you had a paper back called OSWALD IN NE[illegible] and that it could be purchased for $1.00. I am sending you .25 for [illegible] and hope it will be enough to cover mailing.

I would appreciate this book. My brother was killed two months befor[illegible] the President and he had been there before also and I am trying to [illegible] if I can put any of the circumstances together. Also a friend of [illegible] was in New Orleans and saw Oswald handing out phamplets on a street [illegible] however, Oswald disappeared before he could get to him.

Thank you so much.

Sincerely,

Gail Gleason
